

THEODORE SIROIS

★

REPRESENTATIVE SACO LD130

My family arrived in Saco in the mid 1960's. I'm very grateful for the educational, recreational, and vocational opportunities Saco has provided us and our children. Now that I've retired from the Navy and my work at Texas Instruments, I'm ready to payback Saco by serving as your legislator.

Ted.

REPRESENTATIVE SACO LD130

My Priorities

- **Lower the cost of all forms of energy** for homes, businesses, and commuters.
- **Restore educational decision making** to parents, teachers, and Saco's elected school board.
- **Stop state overreach** & restore property rights of citizens with the oversight of their zoning & planning boards.
- **Help low-income families** acquire the transportation, housing & childcare needed to continue working.
- **Support all first responders**, National Guard members and returning veterans.
- **Reform our referendum process** so signers know what they are signing & the special interests funding it.

About Ted Sirois

- Retired US Navy Chief
- Retired Texas Instruments Technician
- Master's degree in Education - USM
- Saco Parks & Rec Board Member
- Treasurer - American Legion Post 26
- Thornton Academy Alumni
